H2offices

1134 Budapest, Váci út 23-27.

Datasheet of the property: <https://robertson.makeitonline.hu/en/property/165-h2offices>

A complex of three office buildings that will provide about 67,000 sqm of modern office space in total. Located in the most popular office hub Váci Corridor, H2Offices will offer green environment at one of the busiest points of Budapest. Various means of public transportation and vibrant surroundings are at your doorstep.

Situated in the heart of the new CBD of Budapest, H2Offices offers an excellent location in direct vicinity to a public transportation hub and great visibility for occupiers.

The uniqueness of the building is emphasized by the playful façade, transparency of the structures and spacious double height Scandinavian lobby. Various recreational spaces, such as rooftop running track with a view over the city, green urban terraces and an elevated walkway will support health and wellbeing of building users.

Connection to nature and environmental consciousness are at the core of the complex. The large multipurpose garden with a water feature will be open to the public, offering a variety of recreational experience, in the meantime serving as a meeting hub and a place for community life as well.
