Millennium Tower II.

1096 Budapest, Lechner Ödön fasor 7.

Datasheet of the property: <https://robertson.makeitonline.hu/en/property/22-millennium-tower-ii>

The Millennium Tower II. The office building fits perfectly into the natural environment of the park surrounding the building, its soft lines were inspired by the waves of the Danube. The building, designed by the elegant Schön Architectural Office, was handed over in the spring of 2008. The 20,000 square meter Millennium Tower II. The office building's 2,350-square-meter, bright, well-usable floor space allows for the satisfaction of larger rental needs and flexible space planning. The Millennium Tower II. There is a three-story underground garage under the office building. The tenants also enjoy the impressive café with a terrace overlooking the Danube, the restaurant and the fitness center.

The office building is located in downtown Budapest, on the banks of the Danube. The office buildings located here can be reached quickly and easily from anywhere in the city, both by public transport and by car. The buildings are located along Soroksári út, the most important public road on the Danube coast in southern Pest, in the area bordered by Pest's main traffic routes.
