1013 Budapest, Krisztina krt. 39/b.

Datasheet of the property: <https://robertson.makeitonline.hu/en/property/237-krisztina-plaza>

The postmodern block of Krisztina Plaza is a defining building in the vicinity of Déli pályaudvar. Its advantageous location, spacious interior spaces and the breathtaking panorama of the Buda Castle make the building unique. Irodaház offers category "A" offices for rent in the 1st district, Bel-Buda, next to the Southern Railway Station. The office building, which includes 16,528 m2 of office space and a two-story garage, was completed in 2001. The office spaces are efficient, modern in design and abundant in natural light, with panoramic office areas. In the office building, it is also possible to create larger office units, and it has flexible floor plans. After almost twenty years of operation in the office building, it became necessary to adapt the common areas to the changed trends - thanks to this process, the reception area of the B reception entered a new era in 2022.
