Pillar

1134 Budapest, Dózsa György út 61-63.

Datasheet of the property: <https://robertson.makeitonline.hu/en/property/69-pillar>

The Pillar, one of Budapest's key newly developed office buildings, has 29,000 sqm of office space. The colonnade of the special office building designed by the award-winning ZDA-Zoboki Építéziroda Kft. and developed by GTC Magyarország will hide an inner oasis. The Pillar office building will offer unique opportunities and inspiring, open spaces to those who want to create, both in the offices and in its social spaces. Water surfaces, landscaped green areas and shade trees provide an island of tranquility for everyone, hidden behind the colonnade. The inner garden is a place for discussions, joint lunches, informal meetings, tearing our tenants out of the office environment.
